Thank you very much for your nice cooperation !

**Coming on Motorway A8 from either East or West, exit 34 « Saint-Maximin la Sainte-Baume ».**

- Right after the toll gate, do not follow « Saint-Maximin Centre » ...Keep driving straight ahead for approximately half a mile, then take a right and follow "Saint-Maximin centre par RN 7"
- Once you arrive in the center of town at Place Malherbe (Central main square where the big stone fountain is) , take a right at **Café Cercle Philharmonique** and follow **Bras** on **D28**
- You are on **Boulevard Bonfils**, and you carry on **Avenue de la Libération**. The Royal Monastery and the Basilica should be on your right.
- Just before leaving the town, right after the **school** which is on your left, turn left on **Chemin du Moulin** - Follow **Le Moulin** road sign.
- Keep driving on **Chemin du Moulin** for 3 miles / 5 kilometers. Approximately 10 minutes
- Watch carefully the road signs at each junction, in order not to take the wrong way. Make sure you always follow **Chemin du Moulin** direction. Do not trust your GPS which will take you **on chemin des Terriers** leading to a **non mobile road**.
- After 3 miles, you'll reach a junction clearly marked by a "**Domaine de Conillières**" road sign.
- Follow the direction and keep driving for another half-mile... Welcome!

**Warning :**

The plan below is not exactly to scale.

The distance between the center of Saint-Maximin and the Domaine de Conillières is 5 km.

Just rely on the plan, **do not trust the GPS** that you indicate in error and you go to the road Terriers, then on a non-passable track.

**On arrival day**, once you have unpacked and **made yourself at home**, you will have to set up your balance.

**Your balance** may be paid with **credit card** ( Visa or MarsterCard ) , or **cash in euro**
